## JUSTICIA, PARTICIPACIÓN DE LOS JÓVENES Y NUEVAS TECNOLOGÍAS

### In English

#### [iCivics](http://www.icivics.org)

iCivics (formerly Our Courts) is a web-based education project designed to teach students civics and inspire them to be active participants in our democracy. iCivics is the vision of Justice Sandra Day O'Connor, who is concerned that students are not getting the information and tools they need for civic participation, and that civics teachers need better materials and support. The site includes games, teacher materials, forums and news.

<http://www.icivics.org>

#### [iCivics Channel](http://www.youtube.com/user/icivics)

A Youtube channel from iCivics, featuring videos on the branches of government, games trailers, and presentations by Judge O'Connor among others.

<http://www.youtube.com/user/icivics>

#### [The American Bar Association Division for Public Education](http://www.americanbar.org/groups/public_education/resources/educational_resources/teaching_resource_guides/resources_for_teachers_students.html)

This site includes resources for teaching civics and lessons related to important Supreme Court cases. The site also provides grade specific lessons on civics issues such as voting, juries, fairness, and more.

#### [Arizona's Law for Kids](http://az.lawforkids.org/News/i-civic-it)

I-Civic-It! is a new program brought to students by the Arizona Supreme Court and the Arizona Foundation for Legal Services & Education. The purpose of I-Civic-It! is to expand the use of iCivics.org throughout Arizona to encourage the development of informed active citizens. Arizona's Law For Kids website provides wonderful educational resources to teach children about the law.

### **Center for Civic Education**

The site has many free educational resources, including We the People and Project Citizen curriculum materials. The Center for Civic Education focuses on the U.S. Constitution and Bill of Rights; American political traditions and institutions; civic participation; and the rights and responsibilities of citizens.

<http://www.civiced.org/>

### **Constitutional Rights Foundation**

Site provides student programs, teacher resources, curriculum, and other materials, including civics lessons for high school, middle school, and elementary school students.

<http://www.crfc.org/>

### **Digital Civic's Channel**

A Youtube channel from the Center for Civic Education

<http://www.youtube.com/user/DigitalCivics>

### **Discovering Justice**

Discovering Justice is a Boston-based nonprofit civic education organization dedicated to preparing young people to value the justice system, realize the power of their own voices, and embrace civic responsibility by connecting classrooms and courtrooms.

<http://www.discoveringjustice.org/>

### **The Federal Judicial Center**

The Federal Judicial Center is the education and research agency for the federal courts to promote improvements in judicial administration. This site includes teaching information and lesson plans on judicial history.

<http://www.fjc.gov/>

### **The Harlan Institute**

The Harlan Institute features FantasySCOTUS, a fun and interactive Supreme Court fantasy league. This free resource allows students to make predictions about Supreme Court cases, write analytical blog posts about them, and compete against other students across the country.

<http://harlaninstitute.org/>

### **Judges, Courts, and the Law**

Judges, Courts, and the Law is a joint effort of Constitutional Rights Foundation and the Judicial Branch of California. Featuring stories, games, and other activities, the

site helps students better understand the role that courts play in our democracy.

<http://www.courtsed.org/>

### **Street Law**

Practical, participatory education about law, democracy, and human rights. The site provides law-related education teaching resources, including lesson plans, activities, and teaching tips.
